## Christ U.M. Church to mark 140 years

By AL POST  
MCN Staff Writer

Christ United Methodist Church of Inkster -- one of the oldest churches in the Western Wayne County area -- will mark its 140th anniversary of service on Sept. 19.

The church was founded on Sept. 6, 1859.

The Rev. Suzanne Walls -- the 53rd pastor of the church -- along with Mayor Edward Bivens Jr. (church lay leader) -- will lead a special worship service that day.

The theme of the day will be Isaiah 58:12 *B You shall raise up the foundations of many generations....*

Walls revealed that there will be a Bar-B-Q following the worship service prepared by the men of the church.

Tickets will cost \$10 for an adult rib dinner and \$7 for an adult chicken dinner. Tickets

*An adult Bible study is also held at 7 p.m. on Mondays.*

for children under 10 will be \$3 each. Profits from the dinner will go to the Christ Church Endowment Fund.

During the summer the church has offered a Vacation Bible School, Summer Splash (a six-week program of reading, computers and science activities) and an on-going Something Special for Youth Program that is held from 4:30 to 6:30 p.m. on Thursdays.

The program includes a light supper, Bible study, games and computers and a light supper.

An adult Bible study is also held at 7 p.m. on Mondays.

Inkster Mayor Edward Bivens Jr., left, joins fellow United Methodists Jack Allair, Molly Avis Harrison, January Bivens and (seated) Dick Meacham in planning for the church's 140th anniversary celebration.

# Carr, McCraight on TV tonight...

By AL POST  
MCN Staff Writer

Assistant Romulus School Superintendent Joel Carr and School Board member Billy McCraight will join Mayor William Oakley tonight on the *Mayor's Chair* cable TV program.

Carr and Oakley will discuss and answer questions on the city/school millage proposals slated to be voted on Sept. 27.

The school proposal seeks to

add a new elementary school, additions to all seven current schools, a pool at the high school and heavily upgraded student technology.

The city is asking to add up to one mill in taxes for a new recreation center and pool.

McCraight will be on hand to discuss and answer questions on the 1999 Romulus Pumpkin Festival.

The *Mayor's Chair* will be telecast on channel 12 at 6:30 tonight.

To order this paper call 729-4000.

## We support Bivens, Hampton in Inkster mayoral primary

Mark September 14 on your calendar if you live in Wayne, Inkster or Westland. Each city has heated primary races with the winners competing in the November general election. The biggest race is in Inkster where long-time mayor, Edward Bivens is being challenged by city councilman Hilliard Hampton and community activist Larry Motley. All three candidates have household names in the community.

Bivens has maestroed a revival of such in the city. The city's first new shopping center in 30-years has beget additional new businesses making Michigan Avenue a destination area to shop. In addition, he was instrumental in bringing down the notorious Melody Theatre.

One weakness however, is his inability to curtail the rising crime rate, and this issue is one of Hampton's strong suits. A career Wayne County deputy, Hampton has enlisted an impressive list of supporters who think a younger, more vibrant Hampton can be a better leader than Bivens.

The third candidate, Larry Motley has his own groundswell of grassroots support. However he must overcome rumors that he has mismanaged community funds and is too critical without offering solutions to win a spot in November.

We ask voters to support Bivens and Hampton for the November ballot spots. Both are proven, capable politicians that will offer clear choices to voters in the November election.

Inkster voters in several districts will narrow their field of council candidates to two. In District 2, Marcus Hendricks, Beverlyn Jordan, Tony McKinnie and Jessie Glover-White are competing for two spots on the November ballot. We support Jordan and McKinnie. In District 3, incumbent councilperson Naomi James is challenged by school board member Lorenzo Moner and John Knight. We ask voters to send James and Moner to the November ballot. In District 6, Henry Crump, DeArtiss Richardson and Danny Williams

face off for two spots. We support DeArtiss Richardson and businessman Danny Williams.

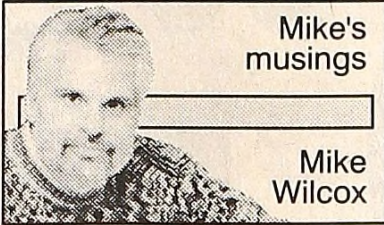

In Wayne, ten candidates square off for eight positions on the November ballot. Voters can only cast their ballot for four candidates. The candidates are incumbents Robert Dickerson, Josephine Lentine, and Donna McEachern. They are challenged by Robert Boertje, Steven Davidson, Roger Koromos, Jim Netter, Nancy Pride, Richard Seibert and Beverly Schackelford.

We believe the three incumbents-Dickerson, Lentine and McEachern-deserve to move on to November. Best of the challengers, in our opinion are Beverly Schackelford, Nancy Pride, Steven Davidson and Jim Netter.

Westland also has ten council candidates fighting for eight positions. The field includes three incumbents - Glenn Anderson, Charles Griffin, and recently appointed David Cox. The challengers are James Chuck, Debra Fowlkes, James Godbout, David James, Michael Kehrer, Michael Rintz and Dorothy Smith.

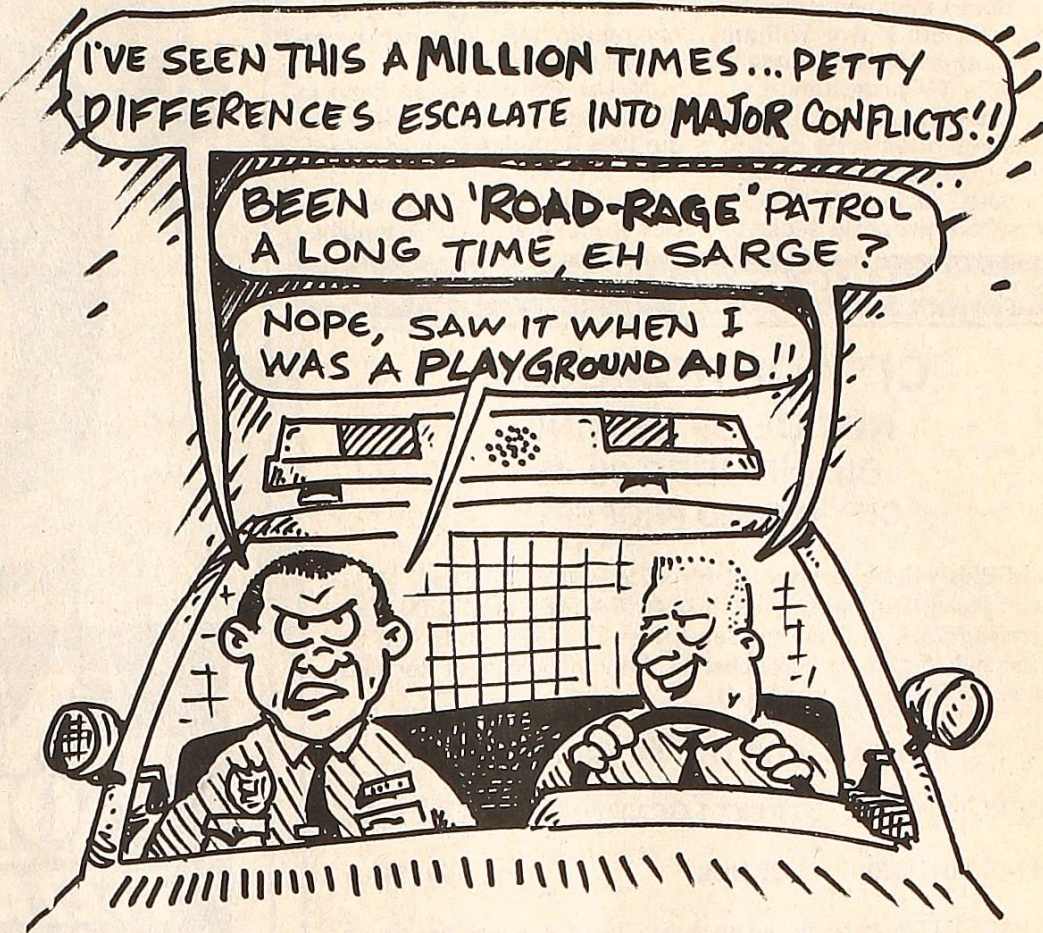

Although we do not necessarily support the three incumbents for re-election, they do deserve an opportunity to move on to the November general election. The best of the challengers in our opinion are James Godbout, Michael Kehrer, Michael Rintz and Dorothy Smith.

As in most primary elections, city clerks are expecting a low voter turnout. Let's give them a pleasant surprise. Your local officials have a far greater ability to shape your community, your schools and your life Than state or federal elected representatives. That is why voting now is so important. Polls are open all day long Tuesday. See ya there.

## Pick a candidate slate and vote in Westland primary

With two weeks to go, things looked bad for the Thomas slate in the Westland City Council primary elections.

The Westland Democratic Club rejected two of the mayor's candidates, Planning Commissioner David James and appointed City Councilman David Cox, and barely endorsed Councilman Trav Griffin as their fourth selection when there was nobody else left to endorse. (The Democrats endorsed Thomas opponents Councilman Glenn Anderson and Jim Godbout, and the so-far non-aligned Debra Fowlkes.)

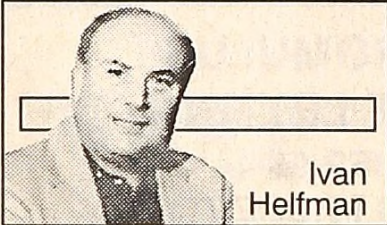

But national events may be working in the Thomas slate's favor. Revelations that the FBI shot flammable tear gas canisters at Branch Davidian in Waco in 1993 after lying about it for six years may convince Westland voters that there are worse scoundrels in office than Mayor Bob Thomas and his political machine.

Whatever you say about the Thomas machine, it has never risked the lives of 70 people, including women and children, and it has never lied about life and death matters.

So relative to the federal government, which we now know lied about its role in the death of Branch Dividan women and children, the Thomas machine seems relatively harmless.

In a dozen years, the worst the Thomas machine could do was to supervise the flooding of more than 400 of residents basements with human excrement. This happened after the Mayor took sewer work away from experienced Wayne County workers and turned it over to some construction companies who have contributed to his campaigns.

Like the FBI, the Thomas machine first denied its responsibility. Ultimately, in the face of many

Ivan Helfman

lawsuits, the machine chipped in with the political-contributor contractors and paid damages to their victims, which is more than the FBI and federal government have been willing to do.

My point is not that the Thomas machine is good: it's that everything is relative.

In the September 14 primary, voters should consider my theory of relativity before rejecting the Thomas slate because of the rash of recent problems: household garbage illegally dumped in the DPS yard behind the handsome Ravencrest condominiums, stinking up the neighborhood and attracting hundreds of pigeons; rat infestation complaints initially ignored; blight complaints ignored; roadside weeds sporadically cut; and a proposed \$14 million city hall when many neighborhood drainage problems have been ignored since the last city hall was built.

Voters should also consider relativity before rejecting the Thomas slate because of the mayor's extensive traveling. Is it really so bad in this age of cellular phones and fax machines that the mayor is frequently out-of-town when important city business is at stake?

When comparing these problems to those caused by the FBI, they may seem like trifles.

While the Thomas machine looks good compared to the FBI, the machine looks bad compared to the Livonia government next door: If you drive down Joy Road on Westland's northeast corner,

you will see the public roadsides are trim as putting greens on the Livonia side.

If you go further into Livonia, you will see that new development and redevelopment are popping up everywhere.

If you compare any government service except senior services, Livonia residents appear to receive more for their taxes than Westland taxpayers.

This is because Livonia has responsible elected officials who are as responsive to citizen needs as Westland Councilmen Glenn Anderson and Richard LeBlanc.

Next week's primary will offer Westland voters three choices: to support the Thomas machine - Cox, Griffin, and James -- and keep business as usual; to support the Anderson team - Anderson, Jim Godbout, and Michael Kehrer -- and change the majority of council so it responds to citizen needs; or toss the dice and vote for independents Jim Chuck, Debra Fowlkes, and Michael Rintz, and Dorothy Smith and end up with potluck.

Were I a Westland resident, I would vote for the Anderson team and Michael Rintz, who is opposed to building a new city hall if it requires a tax increase, because these candidates are more likely to redirect city spending away from fancy government buildings and into the neighborhoods; and because they are more likely to keep the city solvent in the long run.

But I realize that there are groups in the city that benefit from the Thomas regime: some seniors, most city workers, and some venders, developers, and subcontractors.

It's all relative, but if you don't vote, it's all irrelevant to you.

## Thanks a Million

WEEKLY SYNDICATED COLUMN by PERCY ROSS

Millionaire Percy Ross is known for his philanthropic work. He offers help and encouragement for those in need. He has earned a fortune and a wealth of knowledge during his lifetime and wants to share both. His motto: "He who gives while he lives... also knows where it goes."

## The Type Of Scars No Skin Graft Could Cover

Dear Mr. Ross: My first concern is that if you print my letter, please change the city and state. With that understanding, I'll continue. My 14 year old daughter is best friends with a classmate of the same age. Her girlfriend I'll call Betsy.

A couple of weeks ago Betsy told my daughter of a dark, hideous secret she has been carrying around. Betsy's father has sexually molested her for roughly 2 years. Betsy knows it's not right and has begged her father to stop, but he won't. She's terrified because what started out as fondling has turned into full blown intercourse. My daughter struggled with this until finally she broke down and told me. She may have betrayed Betsy's confidence but at least one adult needs to act responsibly and I've been elected by default. I convinced Betsy to stay at my house so I could confront her parents. Her mother didn't believe me and her father said he'll sue me for making false allegations. So, my next move was to the authorities.

I've been given temporary custody of Betsy until the investigation is over. I'm a single parent, not by choice, because my husband died 6 years ago. I have 3 children so I'm generally a day late and a dollar short. Could you please help me in getting a bed for Betsy? She has been on the couch and I feel bad about that. Also, with school only weeks away, she'll need some school clothes, like new underwear and bras. Would \$600 be too much?

Mrs. C. T. ... Morning Tribune, Lewiston, ID

Dear Mrs. T.: On a sliding scale of injustices, sexual molestation of children rates 10 in my book. There's no way to repair the damage. At best the victim learns to put it behind and move forward, but for so many they can never fully escape the nightmare.

It makes me furious that adults can so single handedly ruin the lives of their victims. Even within prison systems I've been told that pedophiles are

the last rung on the scum ladder. Thanks for going way out on a limb and saving Betsy from further abuse. The \$600 I'm sending is the least I can do.

Dear Percy Ross: From time to time I've read letters in your column regarding sexual abuse. Please encourage girls who have been abused to come forward. My sister and I were both victims. When my own girls told me they had been abused by their stepfather, I divorced him on the spot! He still lies saying, "It never happened!" I can't stand to look at him and haven't seen him since.

Believe me, sexual abuse is so pervasive. One never gets over the abuse. I'm 76 years old and I can remember vividly the terror. One last note. Any of the jerks who get help for this won't do them any good. They are addicted to this perverted behavior and that's the way it is.

Ms. E. M. ... Times-Union, Jacksonville, FL

Dear Readers: If you're a parent who engages in this type of behavior, you have to stop NOW. The cycle must be broken, otherwise the behavior becomes learned and will be repeated by the victims. In other words, you'll ruin not only the lives of your children, but possibly the lives of your grandchildren as well.

And sad to say, you must instruct your children to tell you if any adult sexually molests them. Through the use of anatomically correct dolls you can show your children that their private parts should not be inappropriately touched by anyone. This involves a loss of innocence, but that's a small price to pay to prevent a life of terror.

Continued from page A-4

was voted out by the people. It all started in March when Chuck Pickering stated that he wouldn't seek re-election to the council and would leave his seat on the council at the end of April.

Somebody knew (or felt), that if David Cox were appointed to the council in May there could be a uprising among the voters and an increase in people filing to run for council.

So to limit the time for filing petitions for the council, he waited till the start of summer and just before the 4th of July...the day to honor our Independence as a nation.

And that brings us to where we are: four councilmembers (as if they are smarter then us) voted to put Mr. Cox back where the voters put him out from.

They are Sandra Cicirelli, Sharon Scott, Justine Barns and Charles "Trav" Griffin. But 10 names made it so as of now we will have a primary to cut the field from 10 to 8 and if you are as mad as I am once again Mr. Cox can say goodbye and so can Mr. Griffin!

People like to count on low voter turn-outs to help them stay in office...I however hope for a larger voter turnout in the primary so we can say "get lost!"

And if the primary September 14th Mr. Cox and Mr. Griffin get dumped and anyone else listed on their campaign junk gets tossed on November 2nd...unless a recall petition for Ms. Cicirelli and Ms. Scott this year...get ready for 2 years of "Oh, we're so sorry for that vote and, if we knew then, what we know now we wouldn't have voted that way so please forgive us...Sure! And Justine Barns...she's stepping down from elected office...but how long do you think it will be before she's appointed to the planning or zoning boards...

If you are as mad as I am...then talk to your friends and family and get them to join you in voting September 14th and lets get rid of those people once and for all!

### Help for school violence is on way

To the Editor:

School security and the threat of school violence seems to be on everyone's mind this fall. School administrators, teachers, parents and board members are wanting to assure the public that their schools are safe. In addition, schools are getting deluged with seminar information, solicitation from consultants and resources on safe schools. It can be a challenge sorting through the myriad of information and prioritizing strategies for implementing improvements at the local level.

Help Is On The Wayne

Concerned educators and representatives from the Education Alliance, risk management/insurance organizations, school security ser-

vice providers and law enforcement agencies have formed the Michigan Safe School Initiative Workgroup. The Workgroup recognizes that school violence is a community concern requiring community collaboration. Multiple perspectives are needed to effectively accomplish together what none of us can do alone. The Workgroup brings together the representative collective energy and resources of the local community.

The core purpose of the Workgroup is to be a coordinating and disseminating resource of best practices for local districts and to provide an organized voice for sustaining local effort. The best practices will emphasize effective risk management through prevention strategies and crisis response. This letter outlines what has been done, what is being done with the time lines for completion and future projects. We hope that the resources provided by the Workgroup will avoid duplicating efforts at the local level, help districts prioritize their safe school efforts and utilize local resources.

The Workgroup identified the need for a safe schools information clearinghouse. The Workgroup has been working with the Michigan Department

of Education and its new Office of Safe Schools to establish and maintain a web site for safe school resource information dissemination. The Workgroup will continue to assist the Office of Safe Schools in collecting and compiling information that will be helpful to the local level. The web site is: <http://www.mde.state.mi.us/schoolsafety.shtml>

What Is Being Done

The Workgroup is assisting the Michigan State Police in developing an Immediate Multi-Hazard Critical Response Guide. The guide will be a model for training staff in immediately responding to acts of violence in schools. This is scheduled for distribution in mid-August.

The Workgroup will also be assisting the Michigan State Police in updating its Site Emergency Planning Workbook. This update is scheduled for completion in October 1999.

Lastly, two Workgroup subcommittees have been formed; the School Security Risk Assessment subcommittee and the School Violence Protocol subcommittee. The School Security Risk Assessment subcommittee will be developing information on safe school checklists. The School Violence Protocol subcommittee will be working with educators to develop a model process for developing a local incident re-

sponse protocol at the local level.

Questions about the Workgroup and future projects can be directed toward the Workgroup facilitators, Audrey Z. Martini, Director of Outreach, School of Criminal Justice,

Michigan State University at (517) 355-9648. Her e-mail address is: [martini@Pilot.msu.edu](mailto:martini@Pilot.msu.edu); the fax is (517) 432-0727.

Sincerely,  
Michigan Safe Schools Initiative Workgroup

## Pain Free Dentistry, Fact or Fiction?

Many of you probably have had bad experiences with a dentist who had an awful chairside manner, or one who didn't believe in giving anesthetic (a story my wife recently told me about her childhood dentist). And these are the experiences which prevent so many people from getting the treatment they so badly need.

Well, fear no more. Dentistry, when practiced correctly, can be pain and anxiety free. There are many techniques available to the modern dentist which can make your experience relaxing and enjoyable, including:

**Nitrous Oxide**-otherwise known as laughing gas. It is routinely used to help adults and children relax.

**Topical Anesthetic**-the gel which is applied before any injection which numbs the surface and makes the experience many times pain free.

**Oral sedating medications**-such as valium. Some of the more apprehensive patients may benefit from this technique.

**Good chairside manner**-Nothing can take the place of a dentist who understands and tries to do everything possible to make you more comfortable.

Using these and other techniques, the professionals at Newburgh Heights Dental Group can make your visit comfortable and enjoyable. Now you can finally take that step toward good dental health with confidence.

Fifty elementary, middle school and high school teachers from various Southeastern Michigan communities will be able to energize their science curriculum this school year, thanks to the recently held Educators' Energy Workshop sponsored by the Detroit Edison Foundation.

Teachers from the Plymouth-Canton and Wayne-Westland participated in the workshop.

The utility organized the three-day workshop in August that provided the teachers with tours of Fennj 2, Detroit Edison's nuclear

power plant located near Monroe, Mich.; the Solar Currents facility in Scio Township, one of Detroit Edison's two solar-powered facilities; and Detroit Edison's Monroe Power Plant, the second largest coal-fired generator in the country. The Detroit Edison Foundation picked up the \$17,000 cost of the workshop, which includes grants for each teacher to earn one graduate-level credit hour from Eastern Michigan University.

Since Detroit Edison created the workshop eight years ago, its Foundation has spent more than \$100,000 in funds to provide this

educational opportunity to about 400 teachers across the state.

During the workshop, the teachers boned up on physics and chemistry principles that are involved in electricity production. They did this by reviewing with Detroit Edison engineers and other plant staff the process of splitting atoms, using water to cool turbine-generators and mixing low-sulfur coals to generate electricity. They got a first-hand look at boilers, turbine-generators, control rooms and other key plant areas at the Monroe Power Plant as well as toured the inside of the twin 400-foot cooling towers at

Fermi 2.

"This summer's workshop was one of the best," said John Preston, associate professor at Eastern Michigan University, who assisted in the teaching of the workshop. "Detroit Edison does an excellent job. It's a great opportunity to visit these facilities and listen to experts from diverse disciplines within the electric power industry."

The workshop also featured top speakers in the field of nuclear medicine, alternative energy sources, conservation and environmental initiatives associated

with energy production.

The teachers even gained earth science, botany and aquatic-life knowledge as they learned about the dozens of species of plants and animals living in their natural habitats - such as wetlands, woodlands and meadows - all on the utility's grounds. Included was a presentation depicting pioneering research done by Detroit Edison on the zebra mussel, an exotic species brought to this region in the 1980s in the ballast water of Balkan freighters. Each teacher received a cluster of zebra mussels preserved in plastic to take back to their class-

rooms; students will be able to examine up-close the creatures that infest the Great Lakes.

In 1999, the Detroit Edison Foundation will provide more than \$4 million in funding to educational, health and human services, civic, community and cultural institutions in Southeastern Michigan. Some of the key funding initiatives include the Detroit Festival of the Arts, Energy and the Environment Mini-Grants for Educators program, the Detroit Area Pre-College Engineering Program and the Kids Voting Michigan Initiative.

## Exchange programs make language fun

One of the most rewarding acts a person can perform is helping others realize their potential in life. Hosting a foreign exchange student for a school year is a prime example of how a helping hand can have lasting results.

It's a priceless investment, an experience both student and host remember the rest of their lives. Families that have opened their homes to a youngster from another country say they have learned as much or more from the relationship than the student.

"If you want the chance for you and your children to experience the world diversity together, you can become a host family," said David Clark, a maintenance technician who recently hosted a student from Brazil.

For the student, of course, it's a once-in-a-lifetime experience to learn about other languages and cultures while participating in family, school and community life.

"My host family gave me more than any museum or book," said Diana Yefanova, a recent exchange student from Penza, Russia. "I gradually ad-

justed everyday - it took time and people were very friendly." ASSE International, a nonprofit organization founded by the Swedish government in the 1930s, probably has more experience in foreign exchange programs than any other exchange group.

Originally established as an exchange program between Swedish and German students, the program has since expanded to 40 countries and accommodates thousands of families and students each year.

## Young, inexperienced Tigers beat Dearborn

### Belleville continues to surprise

By TOM MOORADIAN  
MCN Staff Writer

They were supposed to be a "young and green" team. Translated from sports jargon to the language of the fan and reader of the sports page, it means, the team doesn't stand a

chance of winning a conference title, or even coming close.

But Belleville and coach Bob LaPointe are proving the pre-season prognosticators wrong.

With their second win, a 13-6 slugfest over Dearborn, the tri-Mega Conference, Red Division champ, the young Tigers have shown that they can play against the best of the division and out-of-division teams. (A week ago, Belleville pulled out a double overtime victory, 32-31 over Fraser in the season's opener for both teams.)

If LaPointe and Belleville can put away a winless Redford Union this week, they will come within three victories of qualifying for the coveted MHSAA post-season playoffs.

But LaPointe isn't looking ahead, he says. It's Redford Union who he and his staff are focusing on.

"If you recall R.U. won their divisional title with a 9-0 record a year ago," LaPointe noted. "They may have lost some of their kids off of that team to graduation but they do have one of the premier

running backs in the state in (Mike) Macek.

"He's a great athlete and a threat anytime he is on the field."

LaPointe commended his team's efforts of the past two weeks. He says that the players refuse to quit and had special praise for his defense.

"We need work on offense," LaPointe continued. "We had five turnovers - a pair of interceptions and three fumbles. And you can't do that and expect to win the close ones."

Belleville will host the 7 p.m.

Friday game against R.U.

Senior quarterback Kevin Harrison and free safety Chris Miller accounted for Belleville's two touchdowns. Miller got the first on a 48-yarder in the first period, while Harrison scored on a 40-yard option play that gave the Tigers a 13-0 lead.

Sophomore Joe Orskey, whose extra point kick settled the double OT issue at Fraser, converted one of his two PATs against the Pi-neers.

Harrison had problems finding receivers Friday as he completed only one of 11 passes. But he rushed for 74 yards, on 12 attempts and scored one touchdown, which proved to be the difference in the game.

In that opening day victory, Belleville and Fraser were dead-lock after regulation 19all, and each team managed to exchange two touchdowns before a Harrison to Kyle Myers TD pass tied the game at 31, and Orskey's extra point won it.

## Romulus tramples Taylor

By TOM MOORADIAN  
MCN Staff Writer

Wasting little time, Romulus scored 13 points in the first quarter and went on and trampled Taylor Kennedy, 46-0, for its second victory of the year.

Coach Mark Woodson and the Eagles will meet Southgate Anderson at home on Friday, and Anderson will come into the 7 p.m. Mega Conference, Blue Division battle with an 0-2 record.

Woodson says that he is not underestimating Anderson, a team he says, is "much better than its record would indicate."

"They (Melvindale) are a scrappy team, though they may not be as high as Kennedy. They are hard-hitting, and physical, and will take advantage of your mistakes.

"We've got to be ready".

One thing for sure, the Eagles, who won the Gold Division title a year ago with a perfect 9-0 record, were ready for Kennedy. A 40-yard drive that started after a poor Kennedy punt put the Eagles in excellent position that quarterback Dave Moonaw capitalized upon.

Moonaw drove the Eagles to the three where a handoff to full-back Charles Thompson finished the drive with a TD at 5:26. Rick Foster kicked the extra point before the quarter ended. Moonaw got the Eagles on the scoreboard again. He engineered a midfield drive that ended with the QB going in from the three on a sneak.

Foster however missed the extra point.

Romulus added two more touchdowns in the second quarter thanks to Wendell Woods, a running back who tallied from 18-yards out. Woods' TD was set up by Mark Carter's recovery of a Kennedy fumble.

Foster made good on the conversion.

Woods came back with a 16-yard scoring run with 7:27 on the clock in the third quarter and with Foster's second consecutive - third overall point-after, the Eagles were out of reach 27-zip at halftime.

Using most of his reserve power after the initial half, Woodson got two more TDs in the third quarter when Moonaw teamed up with tight end Kevin Thomas on a pass-run TD play that covered 65-yards.

Then, John Western broke through the Kennedy's line of de-

Poised for an attack on Churchill's defenses is John Glenn quarterback Randy Sinnott (13), who led his Rockets to their second straight victory Friday over an improved Churchill team. In the photo at left, Glenn's Jeff Albrecht holds as Glenn kicker Jeremy Catarino boots a 24-yard field goal that gives the Rockets a commanding 16-0 lead at halftime over the hosts. ## Glenn crushes Churchill

By TOM MOORADIAN  
MCN Staff Writer

Glenn's senior running back Eric Jones is quickly making Rocket fans forget the record-setting season that teammate Reggie Spearmon had a year ago.

Jones scored a pair of touchdowns rushing for 189 yards in only 14 attempts to lead Glenn past Livonia Churchill, 30-6, in a Western Lakes Conference crossover game Friday night.

It was Glenn and coach Chuck Gordon's second consecutive impressive win of the season.

No. 3 must come at the expense of a North Farmington team. Because of the Jewish Holiday on Friday, the two Lakes Division opponents will play Thursday night at 7 p.m.

With back-to-back losses to Roseville and Northville, North Farmington is still looking for its first win of '99.

Against Churchill, Dan

Smithman got the Rockets on the scoreboard in the first quarter when he bolted from 40-yards out after a perfect block by teammate Brian Davis which enabled the Glenn ballcarrier to get to the right sideline where he went the distance.

Smithman's TD was set up by Chad Sansom's interception, picked off at midfield. It took the Rockets four plays to score, and a Jeremy Catarino boot for the point-after was good, making it a 7-0 game.

Glenn's defense picked off three errant Churchill passes, with Jake Sharp and David Lwandowski getting the other two.

In the second quarter, Jones came up with a 14-yard scoring run that culminated a five-play, 42-yard Rocket drive that lifted Glenn to a 13-0 lead late in the second period.

Catarino came back with a 24-yard field goal with 3:15 left in the second quarter that gave the Rockets a 16-0 halftime ad-

vantage. Glenn built on its lead immediately after the intermission.

Dick Rogiero returned the opening kickoff to the 28 then, on the first play from scrimmage in the third quarter, Jones sweep left and beat the Churchill defense and raced 72 yards into the Chargers' end zone for his second score of the game, his fourth of the early season.

After Churchill managed to break the scoring barrier with a 25-yard pass that capped an eight-play series in the initial minutes of the fourth quarter, the Rockets came back and scored on junior fullback Craig Lewis's one-yard plunge and Catarino kicked the extra point.

Definitely must mention the outstanding efforts of Glenn's two defensive linesmen - Jim Mitchell and Dave Holloway. Both stood out in Glenn's second victory.

## Wayne turns in masterful effort against Fordson

By TOM MOORADIAN  
MCN Staff Writer

For the second straight week, Wayne Memorial turned in a masterful performance against a team they weren't supposed to be on the same field with.

Fordson, a defending Mega Conference, Red Division, tri-champ found Wayne ready and eager for a battle that came within a foot from going in as a victory for coach Floyd Carter's Zebrad.

"We had our opportunity to win this one," said Carter, after Fordson won a close 13-6 decision. "We had four plays to score from the one and didn't make it."

"Give Fordson's defense a lot of credit for making the big plays when it counted."

With 3:30 left in the game, Wayne quarterback Matt Patterson teamed up with Jeraine Garner that carried the Zebras inside the Tractor 30 yard line. Patterson's screen pass to running back Kwame Hampton left Wayne six-yards shy of the end zone, but gave the Zebras a first down and on the first play, and over-zealous Fordson defense jumped offside, moving the ball to the one-foot

line.

And that's where the ball stayed as Hampton was stopped in an attempt to go up the middle and Patterson was sacked on the next play, moving the ball back to the six. On a third and five, a Patterson pass was battered into oblivion, and the next and final play was botched up.

Fordson built up a 13-0 lead before Wayne got on the scoreboard. The Tractors scored in the opening quarter when Mike Hammood broke loose for a 42-yard TD run, and the Tractors made good on the conversion.

Hammood came back late in the second quarter for his second touchdown. This time he found a hole and went through to the end zone from 12-yards out.

## Inkster batters Melvindale, 35-7

By TOM MOORADIAN  
MCN Staff Writer

It was easy - too easy.

For the second consecutive week, Inkster battered an opponent on the gridiron. Friday afternoon Melvindale found out that coach Mark Townsend's inspired Vikings are a team to respect on the field.

Inkster picked up their second victory of the young season, 39-7, at the expense of the visiting Cardinals. It was the Vikings first Mega Conference cross-over game and Townsend was happy, but cautiously optimistic at his team's performance.

"You don't rest on your laurels," said Townsend after the game. "If you do your next opponent will probably bring you down to earth."

Inkster's next is Willow Run (1-1) which pulled the welcoming mat from beneath first-year Robichaud coach Mark Medlock feet Friday night.

The Flyers shot down Medlock

and his Bulldogs 20-16 in their Mega Conference Red Division opener. Robichaud went into the divisional game with an impressive victory over Grosse Ile's Islanders.

Townsend said that Willow Run is a team with a lot of patience and discipline.

"This one will be an excellent test for our kids. We're going to find out what we are really made of," Townsend added. "Willow Run has nice size, has a lot of speed and also is very physical."

Townsend said he had an opportunity to see the second half of the Robichaud-Willow Run game and came away "very impressed."

As they did in the opener against Holy Redeemer, Inkster scored on the opening play from scrimmage against Melvindale as wide receiver Jamal Poole pulled in a short pass from quarterback Michael Hunter, eluded one would-be tackler, and didn't stop

## Imminent collapse of Salem? Don't ever believe

By TOM MOORADIAN  
MCN Staff Writer

Like the reported death of one Mark Twain, the death of football at Plymouth-Salem is vastly exaggerated.

Ask Walled Lake Western, the fifth-ranked Class A state power in the state of Michigan. Western learned Friday night that coach Tom Moshimer and the Rocks' opening day 40-13 setback at the hands of Port Huron Northern was a true picture of Salem's strength.

Westland had its hands full Friday night against the Rocks who held the pre-season Western Lakes Conference title favorite to

a 3-all tie the first half before falling 17-3.

Though it was Salem's second consecutive loss, there was a radical difference between the first and second game performances, according to the veteran Salem coach.

"The defense played well," said Moshimer, which is the understatement of the young season. It was exceptional against a Walled Lake Western team that coaches believe is the heir-apparent to Farmington Hills Harrison's conference throne.

The difference between the Port Huron and the Walled Lake game, Moshimer added, was "that we played as a team against West-

**In a conference like ours, you can't afford making mistakes and think you can play over them.**

ern. We made our mistakes, but the kids came up with the big plays when we needed them."

Moshimer also pointed out that Western had 70 players available and could afford substituting at

will.

"They wore us down at the end."

Salem saw a 6-0 lead erased from the scoreboard in the early stages of the battle when Matt

Fair managed to pull off a 45-yard option and raced down the sidelines into the end zone.

However, the TD was nullified when officials ruled that Fair had stepped out of bounds.

Western tied the game before the half and they broke the deadlock late in the game.

Moshimer commended the defensive performances of his line-backers, Jack Scherbaty and Jason Lubisik. He also noted that safety Jason Furr also turned in an excellent game.

The crossover victory gave

Western a 2-0 record, while Salem will attempt to break their losing streak Friday at the expense of Farmington, a team that humiliated Plymouth-Canton, 27-0, for its first victory last week.

Moshimer is impressed with Farmington's overall talent. He says that the game will be a good test for his ball club.

"They (Farmington) are coming off of a big victory and we're still trying to get some punch in our offense," Moshimer commented. "In a conference like ours, you can't afford making mistakes and think you can play over them."

The Farmington game will usher in the 1999 Lakes Division phase of the 1999 campaign.

# Wayne

Continued from page B-1

Early in the third quarter, Wayne made its move as Hampton recovered a fumble of a Fordson punt return and the Zebras drove 21-yards in three plays, with Garner finally going the distance from 24 yards out.

Wayne's attempt for the PAT was no good.

Fordson had the edge in total first downs, 15-8. The Tractors had 14 of those in the air and only one from their ground assault.

Fordson's defense managed to hold Hampton, who had 20 rushes, to 32 yards rushing, his longest a 14-yarder. Garner picked up 26 yards on two attempts, for a 13-yard per try average.

Patterson connected on four of 10 passes for 58 yards, his longest a 26-yard strike to Garner. He also completed a 23-yard pass to Hampton.

For the first time in recent memory, and one of the reasons Wayne managed to stay in the game against Fordson, is that they had no turnovers.

With Monroe next, Wayne may find it difficult from breaking its modest two-game losing streak. Monroe has a 1-1 record, after shutting out Lincoln Park, 26-0, last week.

"They have the horses again this year," stressed Carter in commenting on the upcoming game. "I watched films for more than six hours and they have a fullback there (Monroe) who is about 6-1, 220 pounds that can really hurt you. And, because of their speed in the backfield, they are definitely more a running than a passing team this year."

## Keeping up with Jones

Senior Glenn running back Eric Jones (No. 3) leaves the Churchill defense behind as he races for the goal line for his second score of the game, his fourth touchdown in two games. # Golf tournament benefits students

By TOM MOORADIAN  
MCN Staff Writer

If you would like to play a round of golf and help fund scholarships for students who may otherwise not be able to attend college, this one's for you.

Madonna University officials this week announced that they are staging their Golden Classic Scholarship Golf Outing on Friday, Sept. 17.

Participating golfers will enjoy a day filled with activities and also show their support for college students as

proceeds will go to the Madonna University Scholarship Fund and other university-related projects.

The event will be held at the Links of Novi, 50395 Ten Mile Road (248/380-9595).

Check-in is at 11:30 a.m. with a shotgun start (scramble format) is at 1 p.m. Special features will be a Greg Norman One-on-One video welcome gift, hole-in-one car giveaway, and a closest-to-the-pin award.

The award banquet will begin at 7 p.m. and features prizes and a mini-live and silent auction of sports mem-

orabilia.

Celebrity guests include former president of the PGA Warren Orlick, and former Detroit Tigers' stars Jason Thompson and Milt Wilcox. The sponsor of this year's event is Jack Krasula, CEO of Decision Consultants, Inc., and the general chairs are Peter H. Ventura, CEO of Coldwell Banker/Ventura Properties, and Gary Whitener, PGA professional.

Cost for golf and dinner for a foursome is \$700; for an individual, the golf and dinner is \$175. Dinner alone is \$50 per person.

until he completed a 70-yard touchdown run.

The Vikings failed to convert on their first three point-after.

Within five minutes, the Vikings were on the scoreboard again. On their second possession, Poole went off tackle and raced 71 yards into the Melvindale end zone to lift his team to a 12-0 lead.

A Hunter-to-Lucius Hawkins pass which covered 30-yards accounted for Inkster's third TD. Michael Gray scored on a sweep to account for the two-point conversion.

Hawkins set up the next touchdown with a midfield interception he returned to the Melvindale 35. On the next play, he Gray handed the ball to the speedy running back and he went up the middle and raced to the goal line and scored.

After the Vikings' defense, led bylinebackers William Morris and Anthony Wimberly, held the Cardinals, Gray got the ensuing punt and ran it back 70-yards for a touchdown. Hawkins managed to kick the point-after.

Hawkins continued to look good as he generated 139 yards on 10 rushes and two touchdowns. Gray picked up 109 yards on 11 tries and also got credit for two touchdowns, while Poole finished with 96 yards and one TD.

Mooris, a 6-1, 190-pound senior linebacker, was given credit for 20

total tackles of which 11 counted as solos. He also forced two Melvindale fumbles. Wimberly also had 14 tackles and eight were solos.

In the meantime, Robichaud spotted Willow Run two first-quarter touchdowns and unsuccessfully fought back to catch the Flyers at the wire. The Bulldogs managed to hold their opponents scoreless the second half thanks to the "collective team efforts, especially the linebackers", Medlock said later.

Robichaud freshman Chris Larkins scored on a dive from 30-yards out in the second quarter, and he also chipped in the two-point conversion to make it a 20-8 game at the game.

Then, late in the third period Robichaud scored on quarterback Wendell Winn's bootleg that capped a midfield drive. The senior QB also scored the two-point conversion.

"We did not play with the intensity we did in that first game," said Medlock, who takes the Bulldogs up against River Rouge on Friday. "We did have some people missing from our lineup, but that is no excuse. We made mistake after mistake, especially in that first quarter which proved fatal."

Medlock said that Rouge is an explosive team that is coming off of a big (56-14) victory over Dearborn Heights Crestwood.

"You got to respect any team that can put 56 points on the board."

Robichaud will host the 4 p.m. Mega Conference, Gold Division game.

fense and blocked a punt which set up running back Eric Stewart's five-yard touchdown run.

Fred Harbor's five-yard score at 2:35 of the fourth period rounded out the Romulus scoring.

Woods had another excellent game. He rushed for 106 yards on 12 carries and two touchdowns, while Thompson had eight opportunities with the ball and rushed for 32 yards and one TD.

Moonaw was perfect on three

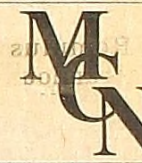

passing attempts which netted the Eagles 106 yards. He tossed for one TD and ran for another.

Wester and Carter each accounted for a fumble recovery, while linebacker Ray Graves notched eight solos, seven assists and also chalked up five sacks of the quarterback. Foster, also an inside linebacker, carded four solos and four assists.

Though pleased with his team's victory, Woodson expressed concerns over his team's inability to eliminate penalties. The Eagles chalked up seven infractions costing them 85 yards.

# 'First class' tourney

## Inkster crowns its 'Open' net champs

By TOM MOORADIAN  
MCN Staff Writer

From Canton Township to Southfield and Detroit, tennis players converged upon the city of Inkster last week to compete in the city's 21st annual competitions.

And when the rains stopped and allowed play, 15 players strolled off the courts with first-place trophies.

"It was one of our better tournaments, because there were some first-class players who competed in it," said Portia Dickson, who has staged

about a dozen of the 21 tournaments. "This tournament gets better with each passing year."

Dickson also praised the local and neighboring business communities "for supporting the tournament."

"We also would like to thank all the participants and volunteers who were involved," Dickson added. "We extend our congratulations to those who won and to those who competed. There were really no losers in this one."

Dearborn Heights' Jim Hadley teamed up with Harald Lollar to win the Men's Master

Doubles title, while in the women's doubles, Detroiters Penny Watkins and Loraine Dogan finished first.

Melody Coleman was the premier player in the Women's Singles Division, while in the mixed doubles, Watkins and Ronnie Parker - both Detroiters - came away as winner.

Beverly Hills' Dr. Theo Ulfun and his Inkster teammate Ernest Ndukwe combined their talents to win the Men's Open Doubles competition. Inkster netter Richard McGinnis and his partner, Phil Jackson, were awarded the ti-

tle in the Men's 35 and Over Doubles competition.

In the Men's Singles (35 & Over), Dave Verderbar turned back all challengers, and Southfield resident Jerry Brooks took the Men's 45 Single championship.

Canton Township was represented in the winner's circle by Sunny and Razi Jafri, who captured the top prize for the Youth 17 and Under Doubles competition, while Robert Raluca of Dearborn Heights won the 17 & Under Singles title.

# Huebner, Karolak pace WSGA golfers

By TOM MOORADIAN  
MCN Staff Writer

It was a battle right down to the final hole, and the 18th didn't decide a winner as Grosse Ile's Karen Huebner and Livonia golfer, Ginny Karolak, were forced to share top honors this week in the Women's Suburban Golf Association tournament.

Huebner and Karolak went into the clubhouse with identical scores of 87 and tied for the First Flight, Low Gross honors.

Northville's Carolyn Beninger was runner-up in the flight. She was five-strokes back.

In the meantime, Pat Meyers, fired a two-over par 72 at the Willow Metro Golf Course and finished atop of

the Low Net field in the First Flight.

Tied for second, with 75s, were Rochester Hills' Sandy Rivers and Northville's Dolly Vettese.

In the Second Flight of the WSGA, Lori Wilson toured the course with a 95, and that was good enough for the Livonia golfer to win the low Gross honors. Eight strokes back in

second was Jan Nelson, of Canton Township.

Dearborn's Heights' Mary Ann Kraft and Dearborn's Mary Gene Stefanec both finished with 74s, and in a tie for the Low Net in the flight.

Dearborn Heights' Pat Wilson was one stroke back, with 75, and held down the Second Low Net score.

# 7 ex-grid stars on WSU roster

Seven former local and area high school football stars will be suiting up for the Warriors at Wayne State University this season.

The list includes Mark Carter, Bill Borg, Randolph Hull, Dan Mitkovski, Gordon Perrin, Waynard Shreve, and Derrick Thomas.

Carter, who is the son of Wayne Memorial High head football coach Floyd Carter, prepped at Westland John Glenn where he earned all-Western Lakes Conference

and All-Area honors.

The 6-3, 180-pound junior, returns to the Warriors as a wingback.

Borg is seeking a spot on the Warriors' line. The Romulus resident who graduated from Southgate Gabriel Richard is a 6-8, 250-pound freshman. Inkster's Randolph Hull, also a freshman, is at strong safety. He's 5-7, 180-pounds.

Glenn also is represented on the WSU team by Mitkovski, who is a sturdy 6-0, 210 who

hopes to make the grade at fullback. Mitkovski is a freshman.

Plymouth-Salem's Gordon Perrin, a 6-4, 215-pound freshman, is working out on the Warriors' defensive line, while ex-Bellefonte star, Derrick Thomas, a sophomore, returns to the WSU backfield as a 5-9, 185-pound running back.

Romulus also is represented on the Warrior roster by Shreve, a 6-3, 195-pound freshman who is seeking one of the halfback positions.

WSU returned 36 letterwinners which include six offensive and 13 defensive starters in hopes of improving on last year's 2-9 overall and 2-8 conference records.

Looking to become this year's starting quarterback will be reshirt sophomore Jason Charron, a produce of Clintondale in the Clinton Township.

Charron is a transfer from Grand Valley State College.

# Romulus offers soccer, floor hockey

## Baylor-Woodson student enjoys space flight

By TOM MOORADIAN  
MCN Staff Writer

An Inkster youngster was among the 75 Metro Detroit area students who traveled to Florida recently to participate in the U.S. Space Camp.

The student, Steven Chisholm, who attends Baylor-Woodson, traveled on a simulated space flight into outer space, and he also helped build and launch rockets, performed experiments in physics, chemistry and space science during the five-days he at-

tended the camp.

Steven also had an opportunity to spent time on a variety of simulator equipment to get a feel for what it is like to travel in space.

Steven's trip, in part, is sponsored by Wayne RESA, a regional educational service agency that provides a wide range of services to local and area school districts, children, families, and communities.

RESA's mission is "Leading.. Learning for All."

RESA also coordinates many of its programs with 34 public

school districts, more than 50 public school academies and 169 private schools, representing the nearly one-half million children of Wayne County.

RESA also provides services to schools in other parts of the state and even other parts of the country.

Wayne RESA coordinates the annual trip for students.

More than 300 Metropolitan Detroit Area students have attended the Space Camp since the first Loctite Alan Shepard golf outing in 1994.

## WCCC president to speak at enrollment rally

By TOM MOORADIAN  
MCN Staff Writer

Dr. Curtis Ivery, president of the Wayne County Community College District, will be the keynote speaker at a Black Tie Affair to help raise funds for the development of the Inkster Community Careers homesite.

The program will be held at 6 p.m. on Oct. 2 at the Marriott in Romulus, 30559 Flynn Drive.

There is a \$100 single, \$150 couple admission cost, and the Rev. George Johnson says the proceeds will benefit the development of the Inkster Community Careers homesite, and that the donation is tax-deductible.

There will also be special entertainment provided by Jonathan Dozier and Carrie Butler.

Rev. Johnson, a former mem-

ber of the Inkster Board of Education, has long-dreamed of creating a college in the city of Inkster where students may learn trades that can help find them jobs.

ICC presently is housed in the Inkster Recreation Complex, 2025 Middlebelt Road, and ICC officials are conducting registration and financial aid workshops until Sept. 18.

Rev. Johnson stressed that ICC

has many courses to offer local students who wish to enhance their job resumes. ICC is presently offering a School of Cosmetology, a Building and Trades program, classes to receive a Builder's License, and classes that will help a participant complete his or her hourswork for a G.E.D.

For more information, readers are urged to contact Johnson at 313/792-9405.

Joyce Ball, a member of the Top Ladies of Distinction Inc., Michigan Metro Chapter, and Alpha Kappa Alpha Sorority, Inkster Chapter, has several reasons to be happy.

On a recent trip to Los Angeles, California, she was chosen to be a program participant on the *Price Is Right* TV show.

Ball won four mountain bikes, a piano keyboard, and a trip to Vienna, Austria. She and her husband, Harold, plan to leave for this "once in a lifetime" trip in October.

The show was taped and will air in the Detroit Metropolitan Area on Sept. 29.

## Are casino suicides an issue?

Somewhat idle thoughts going through a vacationing mind!

Post  
Scripts  
AI  
Post

Two weeks ago while visiting my home state of New Jersey, I read in the recesses of several major daily newspapers that three persons (two of them gamblers, the third a gambling employee) had committed suicide in Atlantic City in about a week's time.

The trio of instances did not surprise me...but the placement in various metro newspapers did.

If three cases of fatal spinal meningitis break out in any area...including Marine Corps training centers...it usually is top news of the day.

But in our current life cycles, I guess gambling deaths (excuse me I should say gaming deaths to be politically correct) or even mil-

lions of abortion deaths (oh that's right again, fetuses don't die...because they were never separate human beings to start out with until they are born) so they don't really count...do they?

Will local casino deaths also be given such limited coverage by the Metro area media as casino fever grows in Detroit?

On the other end of the compassion spectrum...it is interesting to find that youth are being encouraged to proclaim their faith in God.

The incidence of T-shirts declaring "Yes, I believe in God" are showing up at youth scenes following the shooting death earlier this year of Rachel Scott at Columbine High School.

Rachel's funeral coverage broke all viewership records on CNN days after the high school massacre...indicating that God was about to turn this tragedy into good.

To me, one of the most remarkable events following Rachel's slaying was the questioning of her parents by a leading TV media star.

They were jointly asked "don't you wish Rachel had said 'no' when asked if she believed in God? That could have saved her life!"

Without hesitation, both of Rachel's parents said "no, she did the right thing!"

## Date set for alumni baseball game

Romulus baseball officials announced this week that they have set a date for the 5th Annual Romulus Baseball Game.

The game pits former Romulus baseball players against the present high school's varsity squad. The proceeds are donated to the high school baseball program, and there is a \$25 donation recommended for the game.

The Alumni Game will be staged 1 p.m. Oct. 16 at the Charley Lau Memorial Field.

**"We're urging all of our former ball players to participate in this game."**  
- Keith Brothers

The baseball diamond is located behind Romulus High School, 9650 S. Wayne Road. "We're urging all of our former ball players to participate

in this game," said Keith Brothers, Romulus High baseball coach. "After the game we get together and reminisce past games and plays and also rekindle our friendships."

The series between the two opponents is an even 2-2.

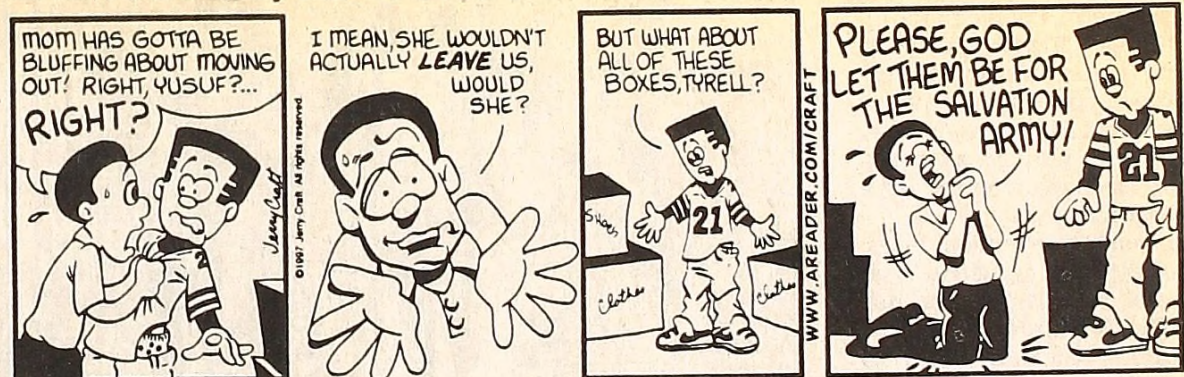

There will also be a Home Run Derby at 12:30 p.m., and those who wish to compete will have to pay a \$5 entry fee.

For further information, contact coach Brothers at 734/942-6852.

## Rec building update slated today

By AL POST  
MCN Staff Writer

Mayor William Oakley and Assistant Superintendent of Schools Joel Carr will address the upcoming city/school referendum issues at 10 a.m. today at the Romulus Senior Center. Reportedly the two also will answer questions from the audience at that time.

A city referendum will seek to approve funding for the erection of a new recreation center, while the school district will seek to add a new elementary school and an

olympic size pool at the high school as well as upgrade all schools technology.

Blood pressure monitoring will be offered by Registered Nurse Rachael O'Neill from 12:30 to 1:30 p.m. Sept. 16 at the Romulus Senior Center on Bibbins.

The regular ceramic class offered by Doll Wands will resume at 1 and 6 p.m. Sept. 13 at the Romulus Senior Center.

At least eight pool players over the age of 55 are being sought for an 8 Ball Pool Tour-

nament that is slated to be held Oct. 5, 12, 19 and 26.

There will be \$3 entry fees and the games will begin at 12:30 p.m. each day at the Electric Stick in Westland.

For more information call Linda Norman at the Romulus Senior Center at 734-942-6852.

The monthly luncheon will be held at 1 p.m. Sept. 24 at the Romulus Senior Center.

Each person is asked to bring a "dish to pass" for their table (or two per couple). Each dish should serve about 10-12 persons.

Anyone who can't bring a

dish is urged to contribute \$3.50 in advance and a dish will be provided.

The senior center will provide a dish of meatballs and a beverage.

Community Police meeting will be conducted from 9 to 10 a.m. Sept. 23. Police Officer Joe Richardson will address issues and topics relating to senior citizens.

Hot meal volunteers are needed at the Romulus Senior Center for a few minutes a day. Call Pat at 942-6852 for more information.

## Wayne senior financial luncheon slated Oct. 13th

By AL POST  
MCN Staff Writer

A free catered luncheon and seminar on "Senior Financial Concerns for Today and Tomorrow" is slated for 10:30 a.m. Oct. 13 at the Wayne Senior Activity Center, 35000 Sims.

Some of the topics will be: Do you need to pay income taxes on money that you are not spending?

How to protect your assets from catastrophic long term health care costs.

Is now the time to plan for probate and estate tax avoidance?

Registration needs to occur by Oct. 6. Call 734-721-7460 to apply for the free luncheon.

Upper body massages costing \$15 for 15 minutes by a therapist from Annapolis Hospital will continue the third Friday of each month at the Senior Activities Center.

Appointments need to be made in advance by calling 721-7460.

No disrobing is necessary. Massages will be given while the senior citizen sits in a chair.

A yard sale sponsored by St. John's Episcopal Church, 555 S. Wayne Road, in Westland will be held Sept. 25 from 9 a.m. to 5 p.m.

The church is located between Cherry Hill and Avondale Roads.

## People in the news...

By AL POST  
MCN Staff Writer

**Gene Reck** of Wayne, a chemistry professor at Wayne State University, has been re-appointed as a representative for the general public on the state's Hazardous Waste Review Board by Gov. John Engler.

**Brianna Lynn Marcum**, daughter of Lee and Amy (Yates) Marcum, was born July 9, 1999 at Cabell Hospital in Huntington, W.Va.

She weighed eight pounds and two ounces and measured 21 inches at birth.

The Marcums formerly resided in Canton and now live in Southpoint, Ohio.

Grandparents include: Rick Yates of Belleville; Vickie (Yates) Runyon and Don and Betty Marcum, all of Southpoint, Ohio.

Brianna Lynn Marcum

**Faythe Lieghann Sheryl Michalak**, daughter of Linda and John Michalak of Wayne, was born Aug. 4, 1999 at Sinai-Grace Hospital in Detroit.

She weighed seven pounds and eight ounces and mea-

sured 21 inches at birth. She joins three siblings: Apryl, 6; John Jr., 5 and Ashley, 9.

Grandparents include: Peggie Gilkerson of Wayne; and Sharon and Mike Michalak of Toledo, Ohio.

Other relatives include Aunt Michelle McCrum of Wayne and Dan McCrum Jr. of Sylvania, Ohio.

Navy Petty Officer **Rudolph C. Sawoscinski**, son of Richard R. and Helen V. Sawoscinski of Westland, recently re-enlisted for six years while serving at the Navy and Marine Corps Reserve Center, Battle Creek, Mich.

The 1979 graduate of John Glenn High School in Westland, joined in September 1979.

Navy Seaman Apprentice **Joseph B. Stewart**, son of Bernardine R. Gray of Romulus, recently reported for duty at the Naval Security Group Activity, Fort George G. Meade, Md.

The 1998 graduate of Romulus High School joined the U.S. Navy in June 1998.

Navy Petty Officer 1st Class **Arrington M. Leonard**, son of Anastasia Leonard of Wayne, recently participated in the third phase of Cooperation Afloat Readiness and Training 1999 in Sattahip, Thailand.

Leonard currently is assigned to the dock landing ship USS Comstock, home ported in San Diego.

Leonard and 3,500 other service members of both the U.S. and Thai forces are participating in the annual exercise designed to bolster military and diplomatic relations.

The 1974 graduate of Wayne Memorial High School, joined the U.S. Navy in January 1978.

Army Reserve Pvt. **Jeremy S. Johnston**, son of Dirk L. Johnston of Wayne, has entered the basic military training under the split-option program at Fort Knox, Ky.

Upon graduation, Johnston will be a member of the Army National Guard or Reserve.

Johnston is currently attending Wayne Memorial High School.

Navy Airman **Ray C. Horton**, son of James C. Horton of Canton, recently departed on a six-month deployment to the Arabian Gulf aboard the aircraft carrier USS Constellation, home ported in San Diego.

His ship is scheduled to visit ports in Australia, Hawaii, Japan, Korea and Malaysia, as the lead ship in the USS Constellation Battle Group.

The 1997 graduate of Plymouth-Canton High School joined the U.S. Navy in June 1999.

Marine Pvt. **Thomas J. Haverlock**, son of Stephen and Deborah Haverlock of Romulus, has completed basic training at Marine Corps Recruit Depot on Parris Island, S.C.

He recently successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally.

Haverlock is a 1997 graduate of Calvary Christian Academy of Ypsilanti.

**Stephanie Lee Murray** of Inkster has been named to the National Society of Collegiate Scholars.

She will be honored this fall at the University of Michigan.

Murray, a 1998 graduate of Wayne Memorial High School, is the daughter of Leola Burrell.

In high school, Murray was a member of the National Honor Society, School Senate and Human Relations Committee.

## Medicare/Medicaid Notice to the Public

Notice is hereby given that on September 20, 1999 the agreement between the Secretary of Health and Human Services and Wayne Total Living Center in Wayne, Michigan, a skilled nursing facility in the Medicare program, will be terminated. In addition, as authorized by the Michigan Department of Community Health, notice is given that the facility's agreement as a nursing facility in the Medicaid program will be terminated effective September 20, 1999.

The Health Care Financing Administration has determined that Wayne Total Living Center has failed to attain substantial compliance with the following Medicare/Medicaid participation requirements at Title 42 of the Code of Federal Regulation, Subpart 483.25 - Quality of Care, 483.35 - Dietary Services, and 483.70 - Physical Environment.

The Medicare program will not make payment for skilled nursing facility services furnished to residents admitted to the facility on or after June 16, 1999. This date is due to a previously imposed denial of payment for new admissions. For Medicare residents admitted prior to June 16, 1999, payment may continue to be made for up to 30 days of covered services furnished on or after September 20, 1999. In addition, Federal Financial Participation (FFP) will not be available to the State of Michigan for any Medicaid residents admitted to the facility on or after June 16, 1999. For Medicaid residents admitted prior to June 16, 1999, FFP may continue to be made to the State of Michigan for up to 30 days of covered services to qualified residents furnished on or after September 20, 1999
